3. BE CAREFUL WITH ME
4. MY INGREDIENTS
5. HOW TO STORE ME
6. MY CONTACT DETAILS

### 1. USE ME FOR

Hey you! I'm SALLY. I'm a sore throat spray and together we are going to do this! The bottle contains a natural, non-toxic formulation that effectively treats and prevents a sore, dry and irritated throat.

I form a protective layer on the sensitive tissue of the throat, and directly relieve a sore throat. I'm based on the patented 2QR-complex. This natural substance is derived from plants and consists of molecules called polysaccharides. The 2QR-complex provides a physical block to bacteria by binding itself to the receptors of the pathogenic-bacteria, preventing them from adhering to the throat mucosa. By this

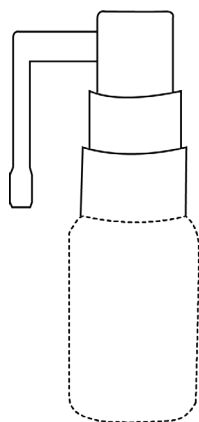

anti-adhesive mode of action, 2QR-complex polysaccharides support the natural healing process and thus eliminates the discomforts of inflamed tissue (sensitivity, redness, swelling and irritation).

### 2. HOW TO USE ME

With only one or two sprays every 3 hours, or whenever relief is desired, you will have a soft throat again! I'm safe, natural and very effective and I'm going to help you. For optimal effect do not drink or eat anything for about 30 minutes after application. I may be swallowed. I'm suitable to be used by children of three years and older. One application is approximately 0,13 ml.

### △ 3. BE CAREFUL WITH ME

It is not recommended to keep using me for more than 30 days consecutively. If complaints aggravate or if you develop white spots in your throat, contact your physician. Do not let other people use me to avoid cross contamination. Do not use after expiry date. Do not use me under the age of 4 years old.

#### Allergies

Allergies to my ingredients are very rare. When you have doubts apply on the inside of your forearm. When an itching red spot appears we advise you not to me.

#### Side Effects

There are no known side effects, when I'm used according to the instructions for use.

#### Interference with medications

There is no known negative effect between me and other medications.

### 4. MY INGREDIENTS

Aqua, 2QR-complex\*, Glycerin, Xylitol, Betaine, Polysorbate 20, Galactoarabinan, Dermsoft 1388, Laureth-9, Menthol, Anise Oil, Herbasec Licorice, Rutin, Peppermint Oil.

\*patented bio-active polysaccharides.
