1. USE ME FOR

Hey you! I'm Iris, the nose spray that helps you with your cold and together we are going to do this! I treat runny and stuffy noses effectively and in a natural way.

Start using me when the first signs of a cold appear. I contain a soft salt solution (2.2%) which reduces the swelling of the nasal mucosa, thins the mucus and relieves the congestion. I provide relief to a stuffy nose and clean it so your child can finally breathe through the nose again.

2. HOW TO USE ME

Just spray me 2 or 3 times a day and the cold goes away!

- Blow the nose gently before use
- Remove the protective cap from the injector
- Shake me before use
- At the first use, fill the pump by pressing the upper part firmly several times, after this, I'm ready for use
- Place the upper part of the spray, with the head upright, into or against the nostril and spray me 1-2 sprays in each nostril. Repeat this in the other nostril.
- Clean the injector after use and replace the protective cap on the packaging.
- For children 5 years and older, use me 1-2 sprays in each nostril, 4-7 times a day.

3. PLEASE KEEP IN MIND

- Do not use me on children under 3 years of age
- Children up to 10 years of age must be assisted by an adult
- It is not recommended to keep using me for more than 30 days consecutively
- Do not let other people use me because of hygienic reasons.

- Avoid contact with your eyes
- Do not use after expiry date. After opening, I may be used for 1 month.

Allergies

Do not use in case of hypersensitivity to one or more of my ingredients. In case irritation or other complaints aggravate after use, stop using me and consult a GP.

Side Effects

A slight tingling sensation may be experienced in the nose immediately after use, but this will disappear after a few seconds. There are no known side effect of using me.

Interference with other medications

There is no known negative effect between me and other medications. Do not use me combined with another nose spray without medical advice.

Pregnancy and breastfeeding

I recommend your mom not to use me if she's pregnant or breastfeeding without medical advice.

4. MY INGREDIENTS

Aqua, Glycerin, Sodium Chloride, Sodium Levulinate, Hydroxypropyl Methylcellulose, Sodium Anisate, Opuntia Ficus-Indica Stem Extract, Phenoxylethanol.

5. WHAT DO I CONTAIN
